Entrance and Dismissal Information – September 2021

14th July 2021

Dear Parents and Carers,

I would like to take this opportunity to say thank you all for your ongoing support with the staggered start and end of the school day in order to protect our year group bubbles. I appreciate for some of you this has been a little tricky at times with siblings being at different collection points, but I am really proud of the way that staff, parents and children have all galvanized as a Danson family to adapt and rise to this challenge. Thank you so much!

As we move forward into September, I am pleased to say that we have made some changes to the current arrangements and for now, pandemic restrictions permitting, in the mornings the drop and go facility will be available. The drop and go system will operate between 8:45am and 8:55am using all three gates: Danson Lane main gate, Danson Lane new gate and the Dansington Road entrance.

We would recommend the following:

- Any Key Stage 2 child (Years 3-6) who doesn't have a sibling to use the Danson Lane-new gate
- Any families who have children in Year 1 and 2 to use the Dansington Road entrance

Under the 'drop and go' system, your child (with the exception of Reception) will walk from the gate of your choice to their classrooms independently. To enable a smooth transition for this to happen, staff will be on hand in the mornings, to direct your child to where they need to go when they enter school site.

To ensure the safety of all of the Danson Community:

I/We agree to:

- Follow the systems for the drop off and collection of my child.
- Not congregate at the gate during drop off and collection times.
- Not allow my child to enter any residents' gardens whilst walking to and from school or whilst waiting to come into school.

- Update records on the walking home 'collection lists' held by Teachers if someone else is picking up my child.
- Ensure my child arrives at the school gate and crosses the threshold to a member of staff.
- If I need to drive my child to school, I will park in a courteous and respectful manner to keep all members of our Danson family and community safe.

Below this letter you will find information about the start and end times of the school day from September 2021, along with where you should queue and which gate you will need to be at for collection depending on the year group of your child(ren).

Thank you again for your continued support and understanding in the dropping off and collection arrangements.

Take care and stay safe.

A handwritten signature in cursive script that reads "Miss Casey".

Miss Casey
