Head Teacher's Notice Board

Dear Children, Mums, Dads and Carers,

It has been a pleasure seeing so many of you attend our Learning Journey Reviews this week. It was lovely chatting to the children and parents about how their children are progressing in their learning.

The children in Year 2 had a very exciting Thursday when they had some very special visitors! The Fire Brigade came into speak to the children in assembly and the children got to go out and visit their fire engine. They had a great time spraying the hose across the playground and watching Miss McCulloch trying on some of the fire protective clothing and equipment.

This led into all children in Year 2 becoming 'town criers' and evacuating the school this afternoon as a fire drill. In class, they have been learning about the Great Fire of London and have been comparing methods of communication between 1666 and the modern day. Children were 'town criers' to evacuate the building and timed how long it took to get the whole school out of the building. They then compared this to how long it usually takes to evacuate the whole school and the positive impact of modern methods of communication.

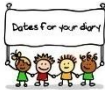

Thank you so so much for your continued generosity for our Sponsored silence. We have been busy counting up the money this week and look forward to having a grand total when we return.

The staff are looking forward to our 'Book Week' launch which starts on the 24th-28th February. Please see attached newsletter with all the exciting activities the children will be doing during the week.

I hope you all have a lovely half term.
