We celebrated Safer Internet Day on 11<sup>th</sup> February 2025 along with many schools and other organisations across the globe. This year's theme was 'Too good to be true? Protecting yourself and others from scams online'

Tony and Lincoln, sixth formers from Bexley Grammar came in and delivered assemblies to KS2. Reception and KS1 joined the online Cyber Security assembly from Tech She Can. Everyone took part in activities relating to the theme. EYFS and KS1 focused on people and content online that might be trying to 'trick' us and who our trusted adults are so we know who to talk to if something bothers us online. KS2 focused on spotting what is and is not a scam.

There are many resources from the <u>Safer internet centre</u> to support you in protecting your family online, please take a look at their Tips for Parents and Carers: Keeping you and your loved ones safe online here <a href="https://saferinternet.org.uk/safer-internet-day/safer-internet-day/safer-internet-day/safer-internet-day/safer-internet-day-2025/tips-for-parents-and-carers">https://saferinternet.org.uk/safer-internet-day/safer-internet-day/safer-internet-day/safer-internet-day-2025/tips-for-parents-and-carers</a>

There are also many useful resources on <u>Everyday Digital</u> which has been developed by Parent Zone to help families develop great media literacy skills.

## **Pupil Voice:**

## What have we learnt from our Internet Safety Day lessons?

"Don't click on the link just in case", Henry Class "Never give personal information such as passwords and addresses", Oak Class

"Not everything we see online is true", Nightingale Class

"Don't trust messages from people you don't know", Dahl Class

"If a site doesn't look right, block it or ask an adult to block it", Barfield Class
